## TERMS OF USE

Hello, I feel honored that you want to create something using my graphics! Please read the terms of use below.

If you have any further questions you can always contact me.

All graphics are under copyright of Inga Rodinson.

You can use the graphics to create unlimited physical or digital products for your own personal use.

You cannot use or alter the graphics for commercial projects, neither as files nor prints.

You cannot use them to create freebies.

You cannot use the graphics to create commercial branding or marketing materials.

You are not allowed to use these graphics as training data for AI models. You are not allowed to load them into any AI creation tools or upload them at AI creation websites as reference / example images - neither for private nor commercial use!

You are not allowed to claim the graphics as your own. You are not allowed to share or redistribute them in any way, whether for profit or for free.
